ATTEMPTED ARREST of journalist Jean Bruno TAGNE: Presenter of the program
"AUTANT LE DIRE" on the private television channel NAJA TV ; Boney Phillippe,
journalist at the private television Vison4 and the academic Dr. Chuo Walters**

APPEL URGENT N°006/25/05/2023 :

Douala-Yaoundé-Kampala: Thursday, May 24, 2023 : The Réseau des Défenseurs des Droits Humains en Afrique Centrale (REDHAC), AFRICANDEFENDERS and Nouveaux Droits de l'Homme (NDH) are deeply concerned by the situation facing journalists in Cameroon, particularly the attacks on press freedom, information and access to information, not to mention the attempted arrests and other reprisals to which they are subjected.

On May 16, 2023, journalist Jean Bruno TAGNE received summons N°001 SUMMONS N°001 CA/BMG from M. BIALO Dieudonné; Lieutenant-Colonel and Head of the Service Central des Recherches Judiciaires à la Gendarmerie Nationale in Yaoundé at the Secrétariat d'État à la Défense (SED) to respond to a preliminary inquiry opened at the said service for "defamation in complicity and others" for May 22 at 10am with 2 other co-accused namely Boney Philippe journalist at private television Vision4 and Dr. Chuo Walters, University.

Although we do not yet know the reasons for this summons. Everything suggests that this summons relates to the case of journalist Martinez Zogo, kidnapped on January 17, 2023, cruelly murdered and found on January 23, 2023 in the Ebogo III district.

Les faits :

On April 20, 2023, the private television channel Naja Tv published audio recordings of the late Orthodox priest and radio host Jean Jacques Ola Bébé, who was evidently murdered in the aftermath of these recordings, in which he spoke of his journalistic efforts to find out the truth about the murder of Martinez Zogo. This private television station deemed these revelations to be new information worthy of public interest. All the more so as the journalist declared with certainty that these audios had been transmitted to the government commissioner in charge of the Martinez Zogo case, and that his wife had certified them before publication. These audios were later broadcast as such, without any personal comment from the TV station or the journalist, who merely explained the circumstances in which they had obtained them.

On May 22, 2023, journalist Jean Bruno TAGNE was expected at the Secretariat of State for Defense at 10 a.m. Having received the summons very late, he went there on Monday, May 29, 2023 at 1 p.m. accompanied by his lawyer.
